1. If this Civil Application is to be granted, it would result in interdicting the injunction granted by the Trial Court which order has been passed after some deliberation by the Trial Court. At this stage, it is therefore not

possible to accept the request of the Applicant of stay of operation of the impugned order. Hence, this Application is rejected.

2. Appeal from Order be listed on 4th May 2007 under caption final hearing having regard to the short question involved.
